Bio

The IanJames Band (IJB) is not your average “Local Band”. While holding true to their roots in Portland, OR, IJB is destined for the National Stage. Made up of four well versed and seasoned musicians [IanJames (Vox/Gtr) | Patrick Curtain (Bass) | Johnnie “JB StarPower” Ballard (Drums) | Matthew “Matches” Hayes (Keys)], IJB is a melting pot of genres including Blues, Jazz, Pop, Folk & Gospel resulting in an eclectic soulful style all their own. As IanJames put it, “If Michael Jackson & James Taylor had a musical baby raised by Stevie Wonder, you’d get the IanJames Band”. Having performed for multiple radio events along with sharing the stage with the likes of Gavin DeGraw, Andy Grammer, Olly Murs and a handful of others, the IanJames Band not only has a proven track record to hang with national acts, but also to become one.
